Letter from Gary James

I would like to say I'm sorry it has taken so long to say to all of you how much I thank you for the going away party and the great gifts! They have been placed on display so when I see them I will always think of you guys. You all have a good thing going with all the "carve-ins". It was a good thing, being able to drink coffee, visit with, and learn from each one of you all, I miss that. If any of you are up this way, please call or stop by.

I am still looking for carvers, there is a lot of wood workers, not many carvers yet. I have started a carve-in on Wednesdays from 4pm-6pm, so far it's just me. However, I have joined the Valley Carver's Assn in Ottawa, IL, which is just 40 min from the house. Good group and good carvers! Also I have found the way to Bettendorf, IA and the Woodcraft Shop. By-the-way they know Clyde real well. There is a Mississippi Valley Woodcarvers Club that meets at the Woodcraft Shop

starting up Sept 9 after the summer. I hope to be joining up with them too. They are just an hour away.

All in all, things are good. I will keep you all posted on happening up here in this part of world. Again, thank all of you for your help and friendship with by journey into woodcarving. You guys are GREAT!!!!

OKLAHOMA HISTORY CENTER

September Fest at the Oklahoma History Center was held on Saturday, September 6th. The center ask our club to have a booth to show our work and to demonstrate wood carving. Because of the rain, they moved all displays inside, which worked out great. The crowds were good and the interest in what we were doing was high. Thanks to Richard Dalke, Walt & Harriot LeGrone, Fred Self and Tim Hataway for participating. Just wanted to mention too that Harriot is a wonderful ambassador for our club.
