At our Last Meeting...

Woodcarving tools, supplies, and other items from Tim Hataway's estate were on the auction block. Kent Wallace acted as our auctioneer, with Jerry Van Bebber assisting.

Several people were able to purchase carvings that Tim had started, and at least one that he had completed and initialed. Many fine-quality items were for sale, and everything there had the added value of once having belonged to a member who was warmly regarded and is remembered fondly. All proceeds from the auction went to Tim's widow, Barbara.

Richard Dalke was pleased to announce that a grant of \$2,500 for the upcoming Artistry in Wood show has been approved. A special "thank you" goes out to Richard for the many hours of diligent work that he devoted to preparing and submitting the grant request. Without his effort, we wouldn't have a show of such high caliber.

ARTISTRY IN WOOD

Admission tickets are now available for presale. They are \$4 apiece, and each one comes with a raffle ticket. Show posters are also free for the asking. Please contact Richard Dalke if you would like any.

If you would like a special piece of wood or a particular tool, our vendors have requested that you give them a call, and they will bring it to the show. Moore Roughouts phone number is 800-825-2657, and Bigfoot Carving Tools phone number is 800-752-9781.

The completed pieces of this year's nativity scene were on display at our last meeting.

STATE FAIR OF OKLAHOMA

Our club was well-represented at the State Fair last month.

COMING EVENTS:

Election of Club Officers

We'll be electing new officers at our November meeting. If you're interested in holding an office, or if you would care to suggest someone to our nominating committee, please contact John Luna, Bill Dalke, or John Amicon.

Christmas Dinner

Our regular December meeting day falls on Christmas Eve this year, so in lieu of our regular meeting, we will have our banquet at **Golden Corral, 520 S. MacArthur, on Tuesday, December 17, at 5:30 pm.**

NOTES from President: Keep making chips and having fun.

CONTINUING PROJECTS

COMFORT BIRDS: If you have any more finished birds, please give them to Clyde Fosdyke. If you give any birds directly to others rather than going through Clyde, please provide him with their names and pictures of the birds whenever possible.
